SKILLS/DEMEANOR:

Ky-Mani, dubbed the Pre-K heartthrob by his teachers, is an inquisitive 5-year old and the embodiment of innocence. As an adventurer, Ky-Mani enjoys swimming and being outdoors, playing on the playground, pestering his older siblings, and visiting Grandma's house to "eat all her candy." He articulates his needs well and is quick to share exciting details about his day, or new items that intrigue him. He makes friends wherever he goes and enjoys new challenges. Described as "easily coachable," and a "natural" when before the camera, Ky-Mani can deliver. He has a face and personality that enables him to emote well, and will no doubt only improve as his experiences and credits grow.
